

St. Martha School  
August 25, 2016  
**Remind Messaging Program**

Dear Parents,

This coming school year, 2016-2017, St. Martha School will use (**Remind Messaging**) to send messages to parents/guardians by text. **Remind** is a app that provides a safe way for administration and teachers to send text messages to parents.

How does **Remind** work?

The school will generate a unique code and send it to the parents. Once you receive the code, you send a message to the school office using the code and you will be “subscribed” to the school. All parents that subscribe will receive messages. By using this method, no cell phone numbers will be seen. The service is free but standard messaging rates apply. Any phone that receives text messages will work with **Remind**.

Please provide us with the information below:

Parent Name (Mother/Guardian) \_\_\_\_\_

Cell Phone (Mother/Guardian) \_\_\_\_\_

Parent Name (Father/Guardian) \_\_\_\_\_

Cell Phone (Father/Guardian) \_\_\_\_\_

We are also asking for Email addresses to update our records:

email address: (Mother/Guardian)

\_\_\_\_\_

email address: (Father/Guardian)

\_\_\_\_\_

Oldest Child Name \_\_\_\_\_ Grade \_\_\_\_\_

Parent/Guardian Signature: \_\_\_\_\_ Date: \_\_\_\_\_
